

MODEL:PHLTT-20/50

* The all-new PATEL Tow Tractor has automotive style controls making them every operator's first choice.

* It is equipped as standard with four wheel hydraulic drum brakes, all round suspension, regenerative braking and fully adjustable acceleration / deceleration.

* The PHLTT-20B, 30B, 50B is capable of towing loads of up to 5 tones and with a battery change system which can be added with minimum costs to enable this tractor to work 24 hour shift patterns with ease.

* With the motor and controller being fully sealed this tractor is suitable to work in hostile conditions of wet or dust.
